**ANNEXURE - 4 TO THE DIRECTORS' REPORT****Particulars of Energy Conservation, Technology Absorption and Foreign Exchange Earnings and Outgo required under the Companies (Accounts) Rules, 2014****(A) CONSERVATION OF ENERGY :****i) The steps taken or impact on conservation of energy for 2014-15;**

In a continuous endeavor to conserve and save energy, several measures have been adopted in FY 2014-15, notable amongst them are:

1. Existing Auto clave Oven's heat circulation flow was modified from top to bottom in place of bottom which results in improved efficiency of Oven thereby reducing the consumption of Piped Natural Gas.
2. Electronic ballast has been used in place of high consumption copper ballast in 100% of shop floor gallery lightings.
3. Individual cooling tower of two oil filtration and VPD are replaced by one common cooling tower for both oil filtrations and VPD.
4. Use of Submersible pumps in place of mono bloc pumps in water tanks to save energy.
5. Use of high/ low pressure switch to operate fire hydrant system to save energy.
6. All Electrical equipments are shut down during the Lunch/ Dinner break leading to efficient use of energy.

ii) The steps taken by the Company for utilizing alternate sources of energy;

1. Uses of natural lights are resorted at various departments to save energy.
2. Transparent roof sheets provided in shops to use natural lights.

iii) The capital investment on energy conservation equipment;

There is no such specific investments done by the Company.

(B) TECHNOLOGY ABSORPTION:**i) The effort made towards technology absorption;**

- The Company has dispatched the India's highest rating 75 MVA, 115 kV three phase power transformer filled with Envirottemp FR3 natural ester fluid. This transformer has measured a very low noise level less than 55 dBA which is far less than the noise level of 80 dBA prescribed by NEMA standard for this rating of transformer.
- The Company has successfully developed a 15 MVA, 66 kV Aluminum wound power transformer as a substitution of copper wound transformer. Use of Aluminum is presently limited to small distribution transformers.
- The Company has successfully developed 400 kVA, 750 kVA and 1000 kVA 11 kV transformers with foil wound technology. The Company has purchased a foil winding machine to develop this technology.

ii) The benefit derived like product improvement, cost reduction, product development or import substitution;

- The development of environment friendly transformer will help the Company to make its foot prints in the manufacture of eco-friendly silent green transformer.
- Since copper is mostly imported in our country and costlier than Aluminum, manufacturing Aluminum wound transformer would be cost effective for the Company as well as its customers like the state electricity utilities etc.
- Foil wound transformer would help the Company to be more competitive for the range where foil winding transformers can be used.

iii) In case of imported technology (imported during the last three years reckoned from the beginning of the financial year);

Details of technology imported	Year of import	Status of implementation/ absorption
The Company has entered into a Technology License Agreement (TLA) with Fuji Electrical Co. Ltd. ("Fuji") to use its technology and know-how; to design, manufacture and supply: <ul style="list-style-type: none"> • Generator step up transformers with single phase or three phase, 420 kV Voltage and upto 1000 MVA bank capacity; • Shunt reactors with three phase 420 kV voltage and upto 125 MVA capacity; • Shunt reactor with single phase, 765 kV voltage and upto 133 MVA capacity. 	2014	Under absorption.

iv) The expenditure incurred on Research and Development

In pursuits of R&D endeavors, the Company is continuously incurring R&D expenditure both on Capital and Revenue which has not been separately reflected but which is being shown as part of Regular heads of accounts in Fixed Assets and in Statement of Profit and Loss respectively.

(C) FOREIGN EXCHANGE EARNINGS & OUTGO:

1. Export revenue during the year was ₹ 1726.88 Lacs. The Company is continuously focusing on supplying its products to various countries and trying to have its presence in export market.
2. Total Foreign Exchange earnings and outgo: Details concerning Foreign Exchange Earnings and outgo have been given under note no. 42, 43 & 44 of the notes to the Financial Statement.

SECRETARIAL AUDIT REPORT

For the financial year ended 31st March, 2015

[Pursuant to section 204(1) of the Companies Act, 2013 and Rule No.9 of the Companies (Appointment and Remuneration Personnel) Rules, 2014]

To,
The Members,

TRANSFORMERS & RECTIFIERS (INDIA) LIMITED

Survey No. 427 P/3-4 & 431 P/1-2, Sarkhej- Bavla Highway,
Village : Moraiya, Ta.: Sanand, Dist. : Ahmedabad - 382213, Gujarat.

I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by Transformers & Rectifiers (India) Limited (hereinafter called 'the Company'). Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on my verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, I hereby report that in my opinion, the company has, during the audit period covering the financial year ended on 31st March, 2015, generally complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the books, papers, minute books, forms and returns filed and other records maintained by Transformers & Rectifiers (India) Limited ("the Company") for the financial year ended on 31st March, 2015 according to the provisions of:

- i. The Companies Act, 2013 ('the Act') and the rules made there under as applicable;
- ii. The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder;

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

ECONOMIC OUTLOOK

The Asian Development Bank (ADB) has forecast that India's growth rate could surpass China on the back of Government's pro-investment attitude, which coupled with improvement in macro-economic indicators and forward movement in resolution of structural bottlenecks has made the Country stage a comeback on foreign investor radar.

India is set to expand 7.8 % in FY 2015 compared with 7.4 % growth in FY 2014. The momentum is expected to build to 8.2 % growth in FY 2016, aided by expected easing of monetary policy and pickup in capital expenditure.

Giving a thumbs up the new Monetary Policy Framework, announced in the budget, would help in restraining inflation and improve coordination between monetary and fiscal policy, the ADB said.

BUDGET IMPACT

Bold, growth oriented and inclusive sums up the reaction of the economists, analysts, corporate honchos and market experts. The budget has significantly re-emphasized the role of public expenditure in infrastructure projects. The plug and play model will create a project ready and then hand it over for investment. The budget focuses on ease of doing business. The proposed ebiz portal would help in tracking all the approvals, combined together, on an electronic basis. The budget recognizes that in PPP models, the Government has to take the maximum amount of risk and then rebalance it. The budget has also attempted to overturn the whole architecture of soviet or British imperialistic system towards a more participative society.

It is heartening to note that projects worth ₹ 2.50 Lac crore have been put on Fast Track since Budget.

POWER SECTOR/ EQUIPMENT INDUSTRY OUTLOOK

At the recently concluded World Economic Forum 2015 in Davos, the Power Minister stated that the Sector would be looking at an investment of nearly ₹ 15 trillion over the next few years. This offers vast and rewarding opportunities for players across the value chain.

Some of the most exciting opportunities in the pipeline lie in the distribution segment. Large investments have been committed at the Central and State levels and closure of projects are already under way across all states for loss reduction, metering, GIS, SCADA, physical network upgradation etc. All these programmes offer long-term opportunities for equipment suppliers, project executors and technology specialists, among others.

The two newly launched programmes the Deendayal Upadhyaya Gram Jyoti Yojana for agriculture feeder separation and the Integrated Power Development Scheme for improving urban power infrastructure will provide continued business opportunities for vendors till the end of the 13th plan (March 2022).

A key game changer would be the Government's move to introduce competition in Distribution, as has been proposed in the amendments to the Electricity Act, 2003. This could offer lucrative business avenues for vendors as utilities will be forced to invest in building stronger networks to prevent consumer migration. A lot, however, will depend on how quickly things get rolling at the State level. Such issues, notwithstanding, there are high hopes from the reforms - oriented new Government, and the Davos message reinforces that sentiment among global investors, encouraging them to invest in the Power Sector growth story.

TRANSMISSION: PRE-EMPTIVE MEASURES & NEW TECHNOLOGIES

The Transmission segment has witnessed a number of technology changes over the years, driven by the need for making the system more robust. A key initiative in this context is a mega project conceived by PGCIL called the Unified Real Time Dynamic State Measurement (URTDMS), which seeks to deploy Wide Area Monitoring systems (WAMs). The URTDMS roll out follows the successful completion of a WAMs based pilot project.

Apart from the challenges posed by grid complexity, additional voltage and stability problems are caused by the increase in transmission length, grid - connected variable Renewable Energy Generation and network synchronization across the Country. The Flexible Alternating Current Transmission System (FACTS) offers a mature technology solution.

Further, utilities can deploy technologies, such as, high temperature superconductors, HVDC transmission systems, high efficiency transformers, super conducting transformers etc. to improve efficiency and reduce losses.

TRANSFORMER TECHNOLOGIES – RECENT ADVANCES

A quantum leap in energy demand, along with the high level of transmission and distribution losses, growing renewable energy penetration in the grid, shift to higher voltage levels etc., have led to the emergence of new Transformer technologies.

Of late, one of the significant technological advancement in the industry has been the deployment of phase shifting Transformers. Also, with a shift towards the HVDC system for transmitting bulk power over long distances, the use of converter Transformers has gained momentum.

Further, power transformers are increasingly being equipped with multiple intelligent electronic devices or control systems that can assess the condition of the transformer system and make intelligent recommendation based on design and component data with such smart transformers, the asset owners can remotely monitor the behavior of the transformer core, windings, oil, tap charger, bushings etc.

Going forward, with the Country moving towards smart grid infrastructure, the use of advanced Transformers is likely to gain momentum. Moreover, the need to reduce the Industry's carbon footprint will result in the emergence of energy efficient technologies.

CURRENT BUSINESS ENVIRONMENT AND FUTURE PROSPECTS

Cumulative production of power transformers for the period Dec 13 to Nov 14 stood at 1,45,078 MVA (Source: IEEMA). Earlier, the highest annual production recorded is 1,78,782 MVA. Based on projections released by Planning Commission in June 2012 with regard to addition of generation capacity, the demand should have been much more. So, it is obvious that market demand has not picked up as was estimated. Hopefully, demand will pick up in the last 2 years of the Current plan period (2015-16, 2016-17). If the capacity utilization remains around 65%, margins will continue to be under pressure.

OPPORTUNITIES AND THREATS

India has just launched an ambitious foreign trade policy that aims to nearly double exports to \$ 900 bn within next 5 years. The focus of the policy is to promote exports of value added and labour intensive manufacturing as well as services. Incentives or subsidies will be given for the export of specific goods to specific markets. Simplification of procedures is expected to go a long way in integrating India in the global value chain.

Exports of electrical equipments from India is approximately 1% of global trade. This leaves a huge opportunity for equipment manufactures to suitably tap the market and push up India's share. If domestic demand, for some reasons, remains subdued, at least in the short term (upto March 2017), exports can vastly improve equipment manufactures' capacity utilization.

The critical issues associated with exports are consistent quality, timely delivery, proper packing of accessories and prompt response. India's image for this has not been very good in these respect. If these threats could be converted to opportunities, and complaints could be transformed into competitiveness, then certainly India's share of global trade can progressively improve.

INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY

The Company has a well-established system of internal controls and Internal Audit commensurate with its size and complexity of the business. Your Company has appropriate internal control systems for business processes, with regards to efficiency of operations, financial reporting, compliance with applicable laws and regulations etc. All parameters are monitored and controlled at regular intervals. Internal audits are conducted by experienced firm of Chartered Accountants in close coordination with the Company's finance department. The findings of the Audit team are discussed internally as well as in the Audit Committee meetings. The Audit Committee of the Board of Directors reviews the adequacy and effectiveness of internal control systems and suggests improvement for strengthening them from time to time. The Company is continuously upgrading its internal control system by adding better process control, various audit trails and use of external management assurance services.

MAJOR DEVELOPMENTS IN HUMAN RESOURCES/INDUSTRIAL RELATIONS FRONT

Human Resources Development plan is integral part of T&R's People Development Philosophy and commitment. The Company continued its drive to institutionalize and upgrade its HR processes.

Detailed Manpower Assessment Study in association with expert team in a scientific way to derive the optimum manpower and to enhance overall productivity was successfully carried out, this has enabled identification of internal talent for deployment at effective positions benefiting to individuals and organization. Continuous thrust has been given to various engagement initiatives throughout the year as a part of effective engagement strategy.

Report on the Financial Statements

We have audited the accompanying standalone financial statements of **TRANSFORMERS & RECTIFIERS (INDIA) LIMITED** ("the Company"), which comprise the Balance Sheet as at 31st March, 2015, the Statement of Profit and Loss and the Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these standalone financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the standalone financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the standalone financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the standalone financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on whether the Company has in place an adequate internal financial controls system over financial reporting and the operating effectiveness of such controls. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the standalone financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2015, and its loss and its cash flows for the year ended on that date.

Emphasis of Matter

We draw attention to note 33 to the financial statements regarding certain overdue receivables considered good and recoverable by the Management of the Company for the reasons mentioned in the said note.

Our opinion is not qualified in respect of this matter.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2015 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in the Annexure a statement on the matters specified in paragraphs 3 and 4 of the Order.
2. As required by Section 143(3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - (c) The Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
 - (d) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.

- (e) The matter described in the Emphasis of Matters paragraph above, in our opinion, may have an adverse effect on the functioning of the Company.
- (f) On the basis of the written representations received from the Directors as on 31st March, 2015 taken on record by the Board of Directors, none of the Directors is disqualified as on 31st March, 2015 from being appointed as a director in terms of Section 164 (2) of the Act.
- (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its standalone financial statements - Refer note 28 to standalone financial statements.
 - ii. The Company has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts - Refer note 35 to the standalone financial statements.

ANNEXURE TO THE INDEPENDENT AUDITORS' REPORT

(Referred to in paragraph 1 under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

- (1) In respect of its fixed assets:
 - (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of the fixed assets.
 - (b) The fixed assets were physically verified during the year by the Management in accordance with a regular programme of verification which, in our opinion, provides for physical verification of all the fixed assets at reasonable intervals. According to the information and explanation given to us, no material discrepancies were noticed on such verification.
- (2) In respect of its inventory:
 - (a) As explained to us, the inventories were physically verified during the year by the Management at reasonable intervals.
 - (b) In our opinion and according to the information and explanations given to us, the procedures of physical verification of inventories followed by the Management were reasonable and adequate in relation to the size of the Company and the nature of its business.
 - (c) In our opinion and according to the information and explanations given to us, the Company has maintained proper records of its inventories and no material discrepancies were noticed on physical verification.
- (3) According to the information and explanations given to us, the Company has granted loans, unsecured, to companies covered in the Register maintained under Section 189 of the Companies Act, 2013. In respect of such loan:
 - (a) The aforesaid loans are repayable on demand and no repayment schedule has been stipulated. The receipts of interest have been regular.
 - (b) In the absence of stipulations, the overdue amount in excess of ₹ 1 lakh remaining outstanding as at the year-end has not been commented upon.
- (4) In our opinion and according to the information and explanations given to us, having regard to the explanations that some of the items purchased are of special nature and suitable alternative sources are not readily available for obtaining comparable quotations, there is an adequate internal control system commensurate with the size of the Company and the nature of its business with regard to purchases of inventory and fixed assets and the sale of goods and services. During the course of our audit, we have not observed any major weakness in such internal control system.
- (5) According to the information and explanations given to us, the Company has not accepted any deposit during the year.
- (6) We have broadly reviewed the cost records maintained by the Company pursuant to the Companies (Cost Records and Audit) Rules, 2014, as amended prescribed by the Central Government under sub-section (1) of Section 148 of the Companies Act, 2013, and are of the opinion that, prima facie, the prescribed cost records have been made and maintained. We have, however, not made a detailed examination of the cost records with a view to determine whether they are accurate or complete.

- (7) According to the information and explanations given to us, in respect of statutory dues:
- The Company has generally been regular in depositing undisputed statutory dues, including Provident Fund, Employees' State Insurance, Income-tax, Sales Tax, Wealth tax, Service Tax, Customs Duty, Excise Duty, Value Added Tax, Cess and other material statutory dues applicable to it with the appropriate authorities.
 - There were no undisputed amounts payable in respect of Provident Fund, , Employees' State Insurance, Income-tax, Sales Tax , Wealth tax, Service Tax, Customs Duty, Excise Duty, Value Added Tax, Cess and other material statutory dues in arrears as at 31st March, 2015 for a period of more than six months from the date they became payable.
 - Details of dues of Income-tax, Sales Tax, Wealth Tax, Service Tax, Customs Duty, Excise Duty, Value Added Tax and Cess which have not been deposited as on 31st March, 2015 on account of disputes are given below:

Name of Statute	Nature of Dues	Forum where Dispute is Pending	Period to which the Amount Relates	Amount Involved (₹ in Lacs)

Notes on Financial Statements

For the Year ended on 31st March, 2015

1. SIGNIFICANT ACCOUNTING POLICIES

a) Accounting Convention

The financial statements of the Company have been prepared in accordance with the Generally Accepted Accounting Principles in India (Indian GAAP) to comply with the Accounting Standards specified under Section 133 of the Companies Act, 2013, read with Rule 7 of the Companies (Accounts) Rules, 2014 and the relevant provisions of the Companies Act, 2013 ("the 2013 Act") / Companies Act, 1956 ("the 1956 Act"), as applicable. The financial statements have been prepared on accrual basis under the historical cost convention. The accounting policies adopted in the preparation of the financial statements are consistent with those followed in the previous year.

b) Use of Estimates

The preparation of the financial statements in conformity with Indian GAAP requires the Management to make estimates and assumptions considered in the reported amounts of assets and liabilities (including contingent liabilities) and the reported income and expenses during the year. The Management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Future results could differ due to these estimates and the differences between the actual results and the estimates are recognised in the periods in which the results are known / materialise.

c) Fixed Assets

- i) Tangible Fixed Assets are stated at cost of acquisition or construction less accumulated depreciation. The cost of fixed assets includes non-refundable taxes and levies, freight and other incidental expenses related to acquisition and installation of the respective assets.
- ii) Certain computer software and technical knowhow costs are capitalised and recognized as intangible assets in terms of Accounting Standard 26 on intangible assets based on materiality, accounting prudence and significant economic benefits expected to flow therefrom for a period longer than 1 year. Capitalised cost include direct cost of implementation and expenses directly attributable to the implementation.
- iii) At each Balance Sheet date, whether there is any indication that any asset may be impaired. If such assets are considered to be impaired the impairment loss is then recognized for the amount by which the carrying amount of the assets exceeds its recoverable amount, which is the higher of an asset's net selling price and value in use. For the purpose of assessing impairment, assets are grouped at the smallest level for which there are separately identifiable cash flows.

d) Depreciation and Amortisation Expense

- i) Depreciable amount for assets is the cost of an asset, or other amount substituted for cost, less its estimated residual value.
- ii) Depreciation on tangible fixed assets is provided on the Straight Line Method as per the useful life prescribed in Schedule II to the Companies Act, 2013 except in respect of the unamortised carrying value of the Plant & machineries as on 1st April 2014, in whose case the life of the assets has been assessed as 21 years based on taking into account the nature of the asset, the estimated usage of the asset, the operating conditions of the asset, past history of replacement, anticipated technological changes, manufacturers warranties and maintenance support, etc.
Pursuant to the transition provisions prescribed in Schedule II to the Act, the Company has fully depreciated the carrying value of assets, net of residual value, where the remaining useful life of the asset was determined to be Nil as on 1st April, 2014.
- iii) Intangible assets are amortised over their estimated useful life on straight line method as follows, as estimated at the time of acquisition:
 - a) Computer software costs capitalized and amortized over estimated useful life of 3 to 5 years.
 - b) Technical Knowhow costs capitalized and amortized over estimated useful life of 10 years.

e) Investments

Long Term investments are stated at cost and provision is made to recognize any diminution in value, other than that of temporary nature.

f) Inventories

- i) Raw materials, Process stock and Finished Goods are valued at lower of cost or net realisable value after providing for obsolescence and other losses, where considered necessary. Cost includes all charges in bringing the goods to the point of sale, including octroi and other levies, transit insurance and receiving charges. Work-in-progress and finished goods include appropriate proportion of overheads and, where applicable, excise duty.
- ii) Cost for Raw materials is determined on Weighted Average cost, net of Cenvat credit availed.
- iii) Cost for Finished Goods and Process Stock is determined taking material cost [Net of Cenvat credit availed] labour and relevant appropriate overheads and Cenvat duty.

g) Revenue Recognition

In appropriate circumstances, Revenue (Income) is recognized when no significant uncertainty as to determination or realisation exists.

h) Other Income

Interest income is accounted on accrual basis. Dividend income is accounted for when the right to receive it is established.

i) Sales, Contract Revenue and Service Income

Sales are accounted on dispatch of goods. Export sales are accounted on the basis of date of Bill of lading. Sales value is inclusive of Cenvat Duty but does not include other recoveries such as insurance charges, transport charges etc. Service income excludes service tax.

Contract revenue is recognised on percentage completion method. The stage of completion is determined as a proportion to the contract cost incurred upto the reporting date to the estimated total contract costs. When it is probable that the total contract cost will exceed total contract revenue, the expected loss is recognised as an expense immediately. Total contract cost is determined based on technical and other assessment of cost to be incurred.

j) Cenvat credit

Cenvat credit is accounted for on accrual basis on purchase of eligible inputs, capital goods and services.

k) Foreign Currency Transactions

- i) Monetary items denominated in foreign currency are translated at the exchange rate prevailing on the last day of the accounting year. Foreign currency transactions are accounted at the rate prevailing on the date of transaction.
- ii) Non monetary items which are carried in terms of historical cost denominated in a foreign currency are reported using the exchange rate at the date of transaction.
- iii) Gain or loss arising out of translation/conversion is taken credit for or charged to the profit and loss statement.

l) Accounting for forward contracts

Premium / discount on forward exchange contracts, which are not intended for trading or speculation purposes, are amortised over the period of the contracts if such contracts relate to monetary items as at the balance sheet date. Any profit or loss arising on cancellation or renewal of such a forward exchange contract is recognised as income or as expense in the period in which such cancellation or renewal is made.

m) Employees Benefits

- i) **Defined Contribution Plan**
The Company's contributions paid / payable for the year to Provident Fund are recognized in the profit and loss statement.
- ii) **Defined Benefit Plan**
The Company's liabilities towards gratuity, and leave encashment are determined using the projected unit credit method which considers each period of service as giving rise to an additional unit of benefit entitlement and measures each unit separately to build up the final obligation. Past services are recognized on a straight line basis over the average period until the amended benefits become vested. Actuarial gain and losses are recognized immediately in the profit and loss account as income or expense. Obligation is measured at the present value of estimated future cash flows using a discounted rate that is determined by reference to market yields at the balance sheet date on Government bonds where the currency and terms of the Government bonds are consistent with the currency and estimated terms of the defined benefit obligation.

n) Borrowing Cost

Borrowing costs include interest, amortisation of ancillary costs incurred and exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost. Costs in connection with the borrowing of funds to the extent not directly related to the acquisition of qualifying assets are charged to the Statement of Profit and Loss over the tenure of the loan. Borrowing costs, allocated to and utilised for qualifying assets, pertaining to the period from commencement of activities relating to construction / development of the qualifying asset upto the date of capitalisation of such asset are added to the cost of the assets. Capitalisation of borrowing costs is suspended and charged to the statement of profit and loss during extended periods when active development activity on the qualifying assets is interrupted.

o) Taxes on Income

Current Tax is the amount of tax payable on the taxable income for the year as determined in accordance with provision of Income Tax Act, 1961.

Deferred tax resulting from "timing difference" between book and taxable profit is accounted for using the tax rates and laws that have been enacted or subsequently enacted as on the balance sheet date. The Deferred tax asset is recognized and carried forward only to the extent that there is a reasonable certainty that the assets will be realised in future, however where there is unabsorbed depreciation or carry forward of losses, deferred tax assets are recognised only if there is a virtual certainty of realisation of such assets supported by convincing evidence that there will be sufficient future taxable income available to realise the assets.

p) Leases

- i) Assets acquired under lease where the Company has substantially all risk and rewards incidental to ownership are classified as finance leases. Such assets are capitalised at the inception of lease at the lower of fair value or the present value of minimum lease payment and a liability is created for an equivalent amount. Each lease rental paid is allocated between the liability and the interest cost, so as to obtain a constant periodic rate of interest on the outstanding liability of each period.
- ii) Assets acquired on lease where a significant portion of risk and rewards incidental to ownership is retained by the lessor are classified as operating lease. Lease rentals under operating leases are recognised in the statement of profit and loss on a straight-line basis over the lease term.

q) Earnings Per Share

Basic earnings per share is computed by dividing the profit / (loss) after tax (including the post-tax effect of extraordinary items, if any) by the weighted average number of equity shares outstanding during the year. Diluted earnings per share is computed by dividing the profit / (loss) after tax (including the post-tax effect of extraordinary items, if any) as adjusted for dividend, interest and other charges to expense or income (net of any attributable taxes) relating to the dilutive potential equity shares, by the weighted average number of equity shares considered for deriving basic earnings per share and the weighted average number of equity shares which could have been issued on the conversion of all dilutive potential equity shares.

r) Provisions, Contingent Liabilities and Contingent Assets

A provision is recognised when the Company has a present obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation in respect of which a reliable estimate can be made. Provisions (excluding retirement benefits) are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates. Contingent liabilities are disclosed in the Notes. Contingent assets are not recognised in the financial statements.

31. Tax assessment of the Company under Income Tax Act 1961, has been completed up to financial year 2011-12 and the VAT assessment up to financial year 2010-11.
32. "During the year, the Company has purchased 6,350 nos. Equity shares of ₹10 each of its associate Company viz M/s. Savas Engineering Company Pvt. Ltd. for an amount of ₹ 12.70 Lacs as a result, M/s. Savas Engineering Company Pvt. Ltd has become a wholly owned subsidiary of the Company.
- The Company has an investment of ₹ 409.80 Lacs in its subsidiary company "M/s. Savas Engineering Company Pvt. Ltd." by way of equity. The Company has also given an interest bearing loan of ₹ 647.61 Lacs to the said wholly owned subsidiary company. As per the Audited financial statements for the year ended on 31st March, 2015, its net worth is ₹ 145.31 Lacs. In the opinion of the management the aforesaid investment in equity and loan is long term and strategic in nature. The Company has obtained an independent valuation report from Government Approved Valuer as at 1st March, 2015 for the wholly owned subsidiary company's land and office & factory buildings, which value is in excess of the cost of investment and loan given and hence there is no diminution in value of investment and therefore no provision is considered necessary for the current financial year and loan amount is considered good and recoverable."
33. Trade receivables outstanding for more than 6 months include receivables of ₹ 1,254.82 Lacs, which are overdue from a customer whose gas based power plant project is in an advanced stage of completion. The commissioning of the said plant is dependent on the supplies of natural gas. Though the customer is confident of obtaining the requisite gas allocation from the Government of India (GOI), there are uncertainties in respect of timing of getting the gas allocation from the GOI. The customer has confirmed the outstanding balance as on 31st March, 2015, and based on the frequent discussions with the customer, the management of the Company is hopeful of recovering the outstanding amount and hence said amount is considered good and recoverable.

INDEPENDENT AUDITOR'S REPORT

**To The Members of
Transformers & Rectifiers (India) Limited
Ahmedabad.**

Report on the Consolidated Financial Statements

We have audited the accompanying consolidated financial statements of **TRANSFORMERS & RECTIFIERS (INDIA) LIMITED** (hereinafter referred to as "the Holding Company") and its subsidiaries (the Holding Company and its subsidiaries together referred to as "the Group"), comprising of the Consolidated Balance Sheet as at 31st March, 2015, the Consolidated Statement of Profit and Loss, the Consolidated Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

Management's Responsibility for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the preparation of these consolidated financial statements in terms of the requirements of the Companies Act, 2013 (hereinafter referred to as "the Act") that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Group in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

Auditors' Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. While conducting the audit, we have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Holding Company's preparation of the consolidated financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on whether the Holding Company has an adequate internal financial controls system over financial reporting in place and the operating effectiveness of such controls. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Holding Company's Board of Directors, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence obtained by us and the audit evidence obtained by the other auditors in terms of their reports referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us the aforesaid consolidated financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at 31st March, 2015, and its consolidated loss and its consolidated cash flows for the year ended on that date.

Emphasis of Matter

We draw attention to note 32 to the financial statements regarding certain overdue receivables considered good and recoverable by the Management of the Company for the reasons mentioned in the said note.

Our opinion is not qualified in respect of this matter.

Other Matter

We did not audit the financial statements of three subsidiaries, whose financial statements reflect total assets (net) of ₹ 1,898.68 Lacs as at 31st March, 2015, total revenues of ₹ 429.05 Lacs and net cash out flows amounting to ₹ 8.16 Lacs for the year ended on that date, as considered in the consolidated financial statements. These financial statements have been audited by other auditors whose reports have been furnished to us by the Management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries, and our report in terms of sub-sections (3) and (11) of Section 143 of the Act, in so far as it relates to the aforesaid subsidiaries, is based solely on the reports of the other auditors.

Our opinion on the consolidated financial statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matter with respect to our reliance on the work done and the reports of the other auditors

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2015 ("the Order"), issued by the Central Government of India in

terms of sub-section (11) of Section 143 of the Act, based on the comments in the auditors' reports of the Holding company and subsidiary companies, we give in the Annexure a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

2. As required by Section 143(3) of the Act, we report, to the extent applicable, that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.
 - (b) In our opinion proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books and the reports of the other auditors.
 - (c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss, and the Consolidated Cash Flow Statement dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements.
 - (d) In our opinion, the aforesaid consolidated financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
 - (e) The matter described in the Emphasis of Matter paragraph above, in our opinion, may have an adverse effect on the functioning of the Group.
 - (f) On the basis of the written representations received from the directors of the Holding Company as on 31st March, 2015 taken on record by the Board of Directors of the Holding Company and the reports of the other statutory auditors of its subsidiary companies, none of the directors of the Group's companies is disqualified as on 31st March, 2015 from being appointed as a director in terms of Section 164 (2) of the Act.
 - (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditor's) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i) The Group has disclosed the impact of pending litigations on its consolidated financial position in its consolidated financial statements - Refer note 28 to the consolidated financial statements;
 - ii) The Group has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts - Refer note 34 to the consolidated financial statements.
 - iii) There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Group.

ANNEXURE TO THE INDEPENDENT AUDITORS' REPORT

(Referred to in paragraph 1 under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

Our reporting on the Order includes four subsidiary companies incorporated in India, to which the Order is applicable, which have been audited by other auditors and our report in respect of these entities is based solely on the reports of the other auditors, to the extent considered applicable for reporting under the Order in the case of the consolidated financial statements.

- (1) In respect of its fixed assets of the Holding Company and subsidiary companies:
 - (a) The respective entities have maintained proper records showing full particulars, including quantitative details and situation of the fixed assets.
 - (b) The fixed assets were physically verified during the year by the Management of the respective entities in accordance with a regular programme of verification which, in our opinion, provides for physical verification of all the fixed assets at reasonable intervals. According to the information and explanation given to us and the other auditors, no material discrepancies were noticed on such verification.
- (2) In respect of the inventories of the Holding Company and subsidiary companies
 - (a) As explained to us and the other auditors, the inventories were physically verified during the year by the Management at reasonable intervals.
 - (b) In our opinion and the opinion of the other auditors and according to the information and explanations given to us and the other auditors, the procedures of physical verification of inventories followed by the Management of the respective entities were reasonable and adequate in relation to the size of the respective entities and the nature of its business.
 - (c) In our opinion and the opinion of the other auditors and according to the information and explanations given to us and the other auditors, the respective entities have maintained proper records of its inventories and no material discrepancies were noticed on physical verification.
- (3) According to the information and explanations given to us, the Holding Company and the subsidiary companies have not granted any loans, to the extent included in the consolidated financial statements, secured or unsecured, to companies, firms or other parties covered in the Register maintained under Section 189 of the Companies Act, 2013 by the respective entities.
- (4) In our opinion and the opinion of the other auditors and according to the information and explanations given to us and the

other auditors, having regard to the explanations that some of the items purchased are of special nature and suitable alternative sources are not readily available for obtaining comparable quotations, there is an adequate internal control system in the Holding Company and subsidiary companies commensurate with the size of the respective entities and the nature of their business with regard to purchases of inventory and fixed assets and the sale of goods and services. During the course of our and the other auditors audit, no major weakness in such internal control system has been observed.

- (5) According to the information and explanations given to us, the Holding Company and subsidiary companies have not accepted any deposit during the year.
- (6) According to the information and explanations given to us, in our opinion, the Holding Company has, prima facie, made and maintained the prescribed cost records pursuant to the Companies (Cost Records and Audit) Rules, 2014, as amended prescribed by the Central Government under sub-section (1) of Section 148 of the Companies Act, 2013. We have, however, not made a detailed examination of the cost records with a view to determine whether they are accurate or complete.
- (7) According to the information and explanations given to us, in respect of statutory dues of the Holding Company and subsidiary companies:
 - (a) The respective entities have generally been regular in depositing undisputed statutory dues, including Provident Fund, Employees' State Insurance, Income-tax, Sales Tax, Wealth Tax, Service Tax, Customs Duty, Excise Duty, Value Added Tax, Cess and other material statutory dues applicable to the respective entities with the appropriate authorities.
 - (b) There were no undisputed amounts payable by the respective entities in respect of Provident Fund, Employees' State Insurance, Income-tax, Sales Tax, Wealth Tax, Service Tax, Customs Duty, Excise Duty, Value Added Tax, Cess and other material statutory dues in arrears as at 31st March, 2015 for a period of more than six months from the date they became payable.
 - (c) There are no dues of Sales Tax, Wealth Tax, Service Tax, Customs Duty, Value Added Tax and Cess Income-tax and Service Tax which have not been deposited as on 31st March, 2015 on account of disputes.

Details of dues of Income-tax and Excise Duty which have not been deposited as on 31st March, 2015 on account of disputes by the Holding Company are given below:

Notes on Consolidated Financial Statements

For the Year ended on 31st March, 2015

1. SIGNIFICANT ACCOUNTING POLICIES

a) Accounting Convention

The consolidated financial statements are prepared on historical cost basis and based on accrual method of accounting and applicable Accounting Standards by consolidating the accounts of Parent Company with its subsidiaries in accordance with generally Accepted Accounting Principles in India (Indian GAAP) to comply with the Accounting Standards specified under Section 133 of the Companies Act, 2013, read with Rule 7 of the Companies (Accounts) Rules, 2014 and the relevant provisions of the Companies Act, 2013 ("the 2013 Act") / Companies Act, 1956 ("the 1956 Act"), as applicable. The consolidated financial statements have been prepared on accrual basis under the historical cost convention. The accounting policies adopted in the preparation of the consolidated financial statements are consistent with those followed in the previous year.

b) Principles of Consolidation

- The financial statements of the Parent Company and its Subsidiaries have been consolidated on a line-by-line basis by adding together the book values of the like items of assets, liabilities, income and expenses, after eliminating intra-group balances and the unrealised profits/losses on intra-group transactions in accordance with Accounting Standard (AS) 21, "Consolidate Financial Statements". The amounts shown in respect of reserves comprise the amount of the relevant reserves as per the Balance Sheet of the parent company and its share in the post-acquisition increase in the relevant reserves of the consolidated entities. The consolidated financial statements are presented, to the extent possible, in the same format as that adopted by the parent company for its separate financial statements.
- The financial statements of the subsidiary companies used in the consolidation are drawn up to the same reporting date as that of the Company i.e. 31st March, 2015.
- The difference between the cost of investment in the Subsidiaries, over the net assets at the time of acquisition of shares in the Subsidiaries is recognized in the financial statements as Goodwill or Capital Reserve as the case may be.
- Following subsidiary companies have been considered in the preparation of the consolidated financial statements:

Name of the entity	Relationship	Country of Incorporation	Ownership held by	% of Holding	
				31 st March, 2015	31 st March, 2014
Transpares Ltd.	Subsidiary Company	India	Transformers & Rectifiers (India) Limited	51%	51%
Transweld Mechanical Engineering Works Ltd.	Subsidiary Company	India		100%	100%
TARIL Infrastructure Ltd.	Subsidiary Company	India		100%	100%
Savas Engineering Company Pvt. Ltd.	Subsidiary Company / Associate Company (till June, 2014)	India		100%	50%

- The consolidated financial statements have been prepared using uniform accounting policies for like transactions and other events in similar circumstances and are presented to the extent possible, in the same manner as the Company's separate financial statements.

c) Use of Estimates

The preparation of the financial statements in conformity with Indian GAAP requires the Management to make estimates and assumptions considered in the reported amounts of assets and liabilities (including contingent liabilities) and the reported income and expenses during the year. The Management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Future results could differ due to these estimates and the differences between the actual results and the estimates are recognised in the periods in which the results are known / materialise.

d) Fixed Assets

- Tangible Fixed Assets are stated at cost of acquisition or construction less accumulated depreciation. The cost of fixed assets includes non-refundable taxes and levies, freight and other incidental expenses related to acquisition and installation of the respective assets.
- Certain computer software and technical knowhow costs are capitalised and recognized as intangible assets in terms of Accounting Standard 26 on intangible assets based on materiality, accounting prudence and significant economic benefits expected to flow therefrom for a period longer than 1 year. Capitalised cost include direct cost of implementation and expenses directly attributable to the implementation.

- iii) At each Balance Sheet date, whether there is any indication that any asset may be impaired. If such assets are considered to be impaired the impairment loss is then recognized for the amount by which the carrying amount of the assets exceeds its recoverable amount, which is the higher of an asset's net selling price and value in use. For the purpose of assessing impairment, assets are grouped at the smallest level for which there are separately identifiable cash flows.

e) Depreciation and Amortisation Expense

- i) Depreciable amount for assets is the cost of an asset, or other amount substituted for cost, less its estimated residual value.
- ii) Depreciation on tangible fixed assets is provided on the Straight Line Method as per the useful life prescribed in Schedule II to the Companies Act, 2013 except in respect of the unamortised carrying value of the following categories of assets as on 1st April, 2014, in whose case the life of the assets has been assessed as under based on taking into account the nature of the asset, the estimated usage of the asset, the operating conditions of the asset, past history of replacement, anticipated technological changes, manufacturers warranties and maintenance support, etc.

Plant & Machineries - 21 years | Electrification - 21 years | Computers - 5 years

Pursuant to the transition provisions prescribed in Schedule II to the Act, the Company has fully depreciated the carrying value of assets, net of residual value, where the remaining useful life of the asset was determined to be Nil as on 1st April, 2014.

- iii) Intangible assets are amortised over their estimated useful life on straight line method as follows, as estimated at the time of acquisition:
 - a) Computer software costs capitalized and amortized over estimated useful life of 3 to 5 years.
 - b) Technical Knowhow costs capitalized and amortized over estimated useful life of 10 years.

f) Investments

- i) Long Term investments are stated at cost and provision is made to recognize any diminution in value, other than that of temporary nature.
- ii) Current investments are carried at lower of cost and fair value. Diminution in value is charged to the profit and loss statement.

g) Inventories

- i) Raw materials, Process stock and Finished Goods are valued at lower of cost or net realisable value after providing for obsolescence and other losses, where considered necessary. Cost includes all charges in bringing the goods to the point of sale, including octroi and other levies, transit insurance and receiving charges. Work-in-progress and finished goods include appropriate proportion of overheads and, where applicable, excise duty.
- ii) Cost for Raw materials is determined on Weighted Average, net of Cenvat credit availed.
- iii) Cost for Finished Goods and Process Stock is determined taking material cost [Net of Cenvat credit availed] labour and relevant appropriate overheads and Cenvat duty.

h) Revenue Recognition

In appropriate circumstances, Revenue (income) is recognized when no significant uncertainty as to determination or realisation exists.

i) Other Income

Interest income is accounted on accrual basis. Dividend income is accounted for when the right to receive it is established.

j) Sales, Contract Revenue and Service Income

Sales are accounted on dispatch of goods. Export sales are accounted on the basis of date of Bill of lading. Sales value is inclusive of Cenvat Duty but does not include other recoveries such as insurance charges, transport charges etc. Service income excludes service tax.

Contract revenue is recognised on percentage completion method. The stage of completion is determined as a proportion to the contract cost incurred upto the reporting date to the estimated total contract costs. When it is probable that the total contract cost will exceed total contract revenue, the expected loss is recognised as an expense immediately. Total contract cost is determined based on technical and other assessment of cost to be incurred.

k) Cenvat credit

Cenvat credit is accounted for on accrual basis on purchase of eligible inputs, capital goods and services.

l) Foreign Currency Transactions

- i) Monetary items denominated in foreign currency are translated at the exchange rate prevailing on the last day of the accounting year. Foreign currency transactions are accounted at the rate prevailing on the date of transaction.
- ii) Non monetary items which are carried in terms of historical cost denominated in a foreign currency are reported using the exchange rate at the date of transaction.

- ii) Gain or loss arising out of translation/conversion is taken credit for or charged to the profit and loss statement.
- m) Accounting for forward contracts**
Premium / discount on forward exchange contracts, which are not intended for trading or speculation purposes, are amortised over the period of the contracts if such contracts relate to monetary items as at the balance sheet date. Any profit or loss arising on cancellation or renewal of such a forward exchange contract is recognised as income or as expense in the period in which such cancellation or renewal is made.
- n) Employees Benefits Expense**
i) Defined Contribution Plan
The Company's contributions paid / payable for the year to Provident Fund are recognized in the profit and loss statement.
ii) Defined Benefit Plan
The Company's liabilities towards gratuity, and leave encashment are determined using the projected unit credit method which considers each period of service as giving rise to an additional unit of benefit entitlement and measures each unit separately to build up the final obligation. Past services are recognized on a straight line basis over the average period until the amended benefits become vested. Actuarial gain and losses are recognized immediately in the profit and loss account as income or expense. Obligation is measured at the present value of estimated future cash flows using a discounted rate that is determined by reference to market yields at the balance sheet date on Government bonds where the currency and terms of the Government bonds are consistent with the currency and estimated terms of the defined benefit obligation.
- o) Borrowing Cost**
Borrowing costs include interest, amortisation of ancillary costs incurred and exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost. Costs in connection with the borrowing of funds to the extent not directly related to the acquisition of qualifying assets are charged to the Statement of Profit and Loss over the tenure of the loan. Borrowing costs, allocated to and utilised for qualifying assets, pertaining to the period from commencement of activities relating to construction / development of the qualifying asset upto the date of capitalisation of such asset are added to the cost of the assets. Capitalisation of borrowing costs is suspended and charged to the Statement of Profit and Loss during extended periods when active development activity on the qualifying assets is interrupted.
- p) Taxes on Income**
Current Tax is the amount of tax payable on the taxable income for the year as determined in accordance with provision of Income Tax Act, 1961.
Deferred tax resulting from "timing difference" between book and taxable profit is accounted for using the tax rates and laws that have been enacted or subsequently enacted as on the balance sheet date. The Deferred tax asset is recognized and carried forward only to the extent that there is a reasonable certainty that the assets will be realised in future, however where there is unabsorbed depreciation or carry forward of losses, deferred tax assets are recognised only if there is a virtual certainty of realisation of such assets supported by convincing evidence that there will be sufficient future taxable income available to realise the assets.
- q) Leases**
i) Assets acquired under lease where the Company has substantially all risk and rewards incidental to ownership are classified as finance leases. Such assets are capitalised at the inception of lease at the lower of fair value or the present value of minimum lease payment and a liability is created for an equivalent amount. Each lease rental paid is allocated between the liability and the interest cost, so as to obtain a constant periodic rate of interest on the outstanding liability of each period.
ii) Assets acquired on lease where a significant portion of risk and rewards incidental to ownership is retained by the lessor are classified as operating lease. Lease rentals under operating leases are recognised in the statement of profit and loss on a straight-line basis over the lease term.
- r) Earnings Per Share**
Basic earnings per share is computed by dividing the profit / (loss) after tax (including the post-tax effect of extraordinary items, if any) by the weighted average number of equity shares outstanding during the year. Diluted earnings per share is computed by dividing the profit / (loss) after tax (including the post-tax effect of extraordinary items, if any) as adjusted for dividend, interest and other charges to expense or income (net of any attributable taxes) relating to the dilutive potential equity shares, by the weighted average number of equity shares considered for deriving basic earnings per share and the weighted average number of equity shares which could have been issued on the conversion of all dilutive potential equity shares.
- s) Provisions, Contingent Liabilities and Contingent Assets**
A provision is recognised when the Company has a present obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation in respect of which a reliable estimate can be made. Provisions (excluding retirement benefits) are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates. Contingent liabilities are disclosed in the Notes. Contingent assets are not recognised in the financial statements.

30. Estimated amount of contracts remaining to be executed on capital account (net of capital advances) and not provided for ₹ 177.26 Lacs (Previous year ₹ 581.96 Lacs).
31. "During the year, the Company has purchased 6,350 nos. Equity shares of ₹ 10 each of its Associate Company viz M/s Savas Engineering Company Pvt. Ltd. for an amount of ₹ 12.70 Lacs as a result, Savas Engineering Company Pvt. Ltd has become a wholly owned subsidiary of the Company.

The Company has an investment of ₹ 409.80 Lacs in its subsidiary company "Savas Engineering Company Private Limited." by way of equity. The Company has also given an interest bearing loan of ₹ 647.61 Lacs to the said wholly owned subsidiary company. As per the Audited financial statements for the year ended on 31st March 2015, its net worth is ₹ 145.31 Lacs. In the opinion of the management the aforesaid investment in equity and loan is long term and strategic in nature. The Company has obtained an independent valuation report from Government Approved Valuer as at 1st March, 2015 for the wholly owned subsidiary company's land and office & factory buildings, which value is in excess of the cost of investment and loan given and hence there is no diminution in value of investment and therefore no provision is considered necessary for the current financial year and loan amount is considered good and recoverable."

32. Trade receivables outstanding for more than 6 months include receivables of ₹ 1,254.82 Lacs, which are overdue from a customer whose gas based power plant project is in an advanced stage of completion. The commissioning of the said plant is dependent on the supplies of natural gas. Though the customer is confident of obtaining the requisite gas allocation from the Government of India (GOI), there are uncertainties in respect of timing of getting the gas allocation from the GOI. The customer has confirmed the outstanding balance as on 31st March 2015, and based on the frequent discussions with the customer, the management of the Company is hopeful of recovering the outstanding amount and hence said amount is considered good and recoverable.
