For Transformers and Rectifiers (India) Limited

Chanchal S S Rajora
CFO & Advisor to the Board

TARIL is one of the leading manufacturers of a wide range of transformers globally. Today TARIL is second largest Transformer manufacturing company based on Capacity in India. It has capability to develop world class power, distribution, furnace and specialty transformers with world class infrastructure at three plants around the city of Ahmedabad (Gujarat, India). TARIL is managed by a highly skilled and experienced team of approximately 1200 employees, who consistently ensure that each and every activity factors in an adherence to high quality benchmarks established by the organisation.
